ARIZONA HYDROLOGICAL SOCIEITY

2009 LIFETIME ACHIEVEMENT AWARD NOMINATION FORM

Nominations are currently being accepted for AHS 2009 Lifetime Achievement Award. This award will be presented, as in the past years, at the annual symposium for contributions to hydrology by an outstanding Arizona scientist. In addition to receiving a plaque honoring his/her achievements, a $500 scholarship will be donated by AHS in the recipient's name to the Arizona school or educational program of choice. Nominations can only be made by AHS members.

Please submit the name of the AHS member or non-member you would like to nominate, as well as details why this person deserves recognition based on the following criteria: contribution to Arizona hydrology; national reputation and experience; and contribution to the further development and education in the hydrologic field (i.e., mentoring, involvement in AHS…) Forms can be either e-mailed to Matthew Beversdorf at mailto:azhydrosoc.web@gmail.com or mailed to
