The Phoenix Chapter of the Arizona Hydrological Society (AHS) is seeking applicants for the 2015 AHS Herman Bouwer Intern Scholarship Program. This program is open to students enrolled in a hydrology-related discipline at any Arizona college or university. The program provides an opportunity for the selected student to gain experience with water resources and environmental organizations in the Phoenix area between May and September 2015. Participating organizations include government agencies, private industry employers, and environmental consulting firms. The student is encouraged to obtain OSHA 40-Hour Hazardous Waste Operations Training as part of the internship. This will allow the student to enter hazardous waste sites. The program also includes a monetary scholarship award of $3,000. The Tucson and Flagstaff Chapters of AHS also offer similar award programs.

Interested applicants must complete the attached application and forward all materials in hard copy or pdf electronic format to:

AHS Herman Bouwer Intern Scholarship Program  
c/o Brandon McLean  
Brown and Caldwell  
201 East Washington Street Suite 500  
Phoenix, Arizona 85004

Description of Intern Scholarship Program:

- **Applications and all related materials must be received by 5:00 PM April 6, 2015.**
- Candidates must be available for an interview in late April / early May (time to be determined). The AHS Intern Scholarship Committee will select an intern by May 11, 2015.
- The selected candidate will be required to complete 200 hours of service with at least three organizations chosen from a list of participating employers. Included in the 200 hours is an optional OSHA 40-Hour Hazardous Waste Operations Training course. The student will serve 40 hours with each organization, and additional hours will be served with participating employers at the student’s and the organization’s discretion.
- Scheduling will be flexible and will be negotiated by the student and the participating organizations. Service can be completed anytime between May through September 2015.
- The selected candidate may be required by participating organizations to sign liability and confidentiality waivers or submit to drug testing prior to service.
- The student will be invited to attend the June Phoenix Chapter dinner meeting and the Arizona Hydrological Society Annual Symposium in September 2015 to formally receive the award. After completion of the program, the student will be expected to submit a short article to the AHS monthly newsletter describing their experience.
- Prior AHS Intern Scholarship winners are not eligible for this award.
- The monetary award of the scholarship will be $3,000. Payment may be made to the student in several increments, with a final sum to be awarded after submission of the newsletter article.

Student inquiries should be directed to the contact information provided above.
