Date / Time: Wednesday, May 10, 2017, from 6–9 PM

Location: [San Tan Brewing Company](#), 8 S San Marcos Pl, Chandler, AZ 85225

Sponsorship deadline: May 3, 2017

The AHS Phoenix Chapter is hosting a beer tasting event to raise funds for the Herman Bouwer Intern Scholarship. This is a great opportunity for individuals, businesses, and water resource leaders to help make a difference in the lives of aspiring hydrologists. After a recap of the Chapter’s current activities, we will show a short film (SRP’s *Fire and Water*, presented by Charlie Ester) and enjoy appetizers and outstanding craft beers from the San Tan Brewery.

Sponsors will be recognized on slides that display your logo and other information throughout the evening (except during the film). You will also receive one or two tickets to the event, depending on your sponsorship level.

Tier 1: \$300 (3 tickets; standalone slide)

Tier 2: \$200 (2 tickets; shared slide / large format)

Tier 3: \$100 (1 ticket; shared slide / smaller format)
