

Arizona Hydrological Society Membership Application

The Arizona Hydrological Society (AHS) is a nonprofit organization dedicated to educating its members and the public on important water issues in Arizona through monthly meetings, news dissemination, and an annual symposium. Our diverse membership includes professional hydrologists and hydrogeologists, policy-makers, water purveyors, lawyers, students and others. We have chapters in Flagstaff, Phoenix, and Tucson. New members and visitors are welcome to attend any chapter's events. Membership is open to anyone with an interest in hydrology. To learn more about AHS, visit www.azhydrosoc.org.

Members receive our monthly e-newsletter, which features announcements about upcoming events, job listings, articles, chapter news, and more.
