

Living River Academy

A Collaboration of Arizona Project WET Pima County Natural Resources Parks & Recreation

- ❖ Explore the Santa Cruz River System
- ❖ Examine Water Quality
- ❖ Employ Data-Driven Lessons

Dates: March 18 - 19, 2016

- 3/18 - 9:00 AM – 4:30 PM
- 3/19 - 9:00 AM – 3:30 PM

**Pima County Natural Resources
3500 West River Road**

Using systems thinking, teachers will explore the Santa Cruz River System to build an understanding of:

- The Urban Water Cycle
- A Living River
- Social & Environmental Impacts

Day 1 will include a Santa Cruz River field experience.
