

# AHS Phoenix Chapter Craft Beer Tasting

Thursday, May 19, 2022  
5:30 to 8:30 PM  
PHX Beer Co.  
3002 E Washington St  
Phoenix, AZ 85034

## The Event

The Arizona Hydrological Society is the leading organization supporting water professionals in Phoenix and throughout Arizona.

The **AHS Phoenix Chapter** is hosting the **Craft Beer Tasting** event to raise funds to support one of our long time member's non-profit group, **BeePositive**. BeePositive raises money on behalf of the Leukemia and Lymphoma Society (LLS) to help fund the fight to cure cancer.

All individuals, businesses, and water professionals who value Arizona's incredible resources, including our watersheds and water sources are invited to attend and/or sponsor the event!

**The cost to attend is \$30. Student attendance fee will be covered by HAWKKE, but you must register!**

## How to Sponsor

The sponsorships include a brief description of each organization, company logo, and event tickets for the sponsors and attending personnel.

During the event, the AHS Phoenix Chapter will hear an update on current drought and precipitation conditions, as presented by SRP employees. Guests will be treated to current chapter activities, a short presentation, appetizers, and PHX Beer Co.'s outstanding craft beers.

**All net proceeds will benefit BeePositive.**  
Check them out at: [beepositivecures.com](http://beepositivecures.com)

## Sponsorships

- Tier 1** **\$300 Sponsorship** includes 2 individual tickets to the event and a stand-alone slide for your company logo and other information. The slide will be displayed throughout the evening.
- Tier 2** **\$200 Sponsorship** includes 1 individual ticket to the event and your company logo included on a shared slide in a larger format. The slide will be displayed throughout the evening.
- Tier 3** **\$100 Sponsorship** includes 1 individual ticket to the event and your company logo included on a shared slide in a smaller format. The slide will be displayed throughout the evening.
