

# The most EPIC environmental event of the Year Lumberjaxes Tempe-Oct. 27<sup>th</sup> 2022

EPIC's 2nd Annual RemFest is upon us. Please accept this invitation to exhibit at this years event. If you recall, we sold out weeks in advance last year and are expecting nothing different this year. You can count on seeing over 120 environmental professionals for an awesome day of education, entertainment, and comradery. This is a loaded one day event featuring top notch education complete with professional development hours (PDH).

We will be hosting a raffle during the axe throwing to support local scholarship funds associated with EPAZ, AHS and SAEMS. Vendors will have 1-2 minutes to provide a commercial and draw a winning ticket to take their "give-away".

Register now to make sure you have a spot at this event. These sponsorships will go fast and we **WILL** sell out.

See below for our vendor registration form.
