

2025-2026 TRANSBOUNDARY SCHOLARSHIP

AHS will award one \$2,000 scholarship for the 2025-2026 academic year. The purpose of the award is to encourage full-time students in an Arizona university or college who are pursuing study focused on a hydrology or water resources management topic in the context of Arizona-Mexico transboundary issues, and demonstrates active engagement with professors, researchers, water managers and/or other students based in both Arizona and Mexico. Binational engagement is an essential component of this scholarship program for Arizona-Mexico transboundary hydrological and water management matters. Any student who fits into this category can apply. Undergraduate, masters, and Ph.D. student applications will be evaluated separately. The scholarship will be awarded at the annual AHS Symposium awards luncheon

The 2025 AHS Symposium will be at the Wekopa Golf Resort, near Scottsdale.
Awards will be given at the Friday Luncheon.
Application Deadline: May 30, 2025 at 5:00PM
